Still pray - ing in thy sleep,
Thus, in thy Church - 's need,
Still down - ward to de - cay

With - lift - ed hands and face su - pine!
En - shrin'd in an - cient Li - tur - gies,
Our Church is hast - 'ning more and more;

Meet at - ti - tude of calm and rev - 'rence deep,
Thy spi - rit shall keep watch and with us plead,
But what else need we but with thee to pray

Keep - ing thy mar - ble watch in hal - low'd shrine.
While from our sec - ret cells thy prayers a - rise.
That God may yet her trea - sures lost re - store?
